Membership fees are approved by the Board each year for the following calendar year and published on the ONSW [Membership Benefits and Fees](#) webpage.

**2 Event Levies**

(Under review)

**2.1 Purpose**

ONSW collects a combined levy on events to cover the costs of Public Liability insurance, promotion and administration, and OA levies. No separate payment is made by clubs to OA.

**2.2 Levy table**

The table sets out the components and total levies payable to ONSW, for Senior (S), Junior (J) and Sub-junior (SJ) entrants.

For Relay events levies apply to each individual team member.

ONSW collects an additional \$2 levy per non-member entry for every non-member competitor. It is recommended that clubs charge all non-member competitors an additional \$4 per entry.
