Notes about the teams score event (it's very informal):

- Nav standard is green (easy). Controls are multiple choice Q-&-A (bring a pencil).
- Form your own team of 3 beforehand or when you get there.
- Children can take part, either alone (if experienced) or with a shadow.
- It is expected one runner will cover 5-6km, one 3-4km and one 1-2km.

We hope to have a maze or something similar at the hall for smaller children.
