

O'Shea 2 DAY 2024 – 2nd & 3rd March

Central Coast Orienteers invite you along to the O'Shea 2 Day (aka Toukley 2 Day).

Enter this event and you can enjoy orienteering with a difference. Three events over two days, in teams of two.

So find a running partner and Enter!

The format of this event was first organized by Central Coast orienteer Frank Anderson and based on popular Scandinavian formats. **Relays and night** orienteering are very popular in Sweden, Norway and Finland- in some cases even more popular than traditional individual competitions.

Saturday 2nd March (Mass starts at 1pm) - Relay - For teams of two with a longer and a shorter leg.

Saturday 2nd March (night) Individual night course for each team member, with the fastest time of the team counting towards overall time. So both team members do not have to compete at night if you're scared of the dark.

Sunday 3rd March (Mass start 10am) - Team score event- all controls must be visited but are split between the team. Both teams to punch last control and run to the finish together.

While the O'Shea 2 Day is essentially an event for pairs, you can enter the Saturday and the Sunday events as an individual but will not be part of the overall competition.

Event 1, Relay- Map: Rumbalara Map Scale: 1:7500

Terrain: Bush with some tracks and lots of rock detail with some cross country navigation.

Mass Start: Long Pairs 1:00pm, Short Pairs 1:15pm
