

2011 Sydney Junior Orienteering League

ORIENTEERING NSW

Event Six: Sunday 21 August

For event 6 we return to the foreshore of Sydney harbor at Waverton. Intriguingly, Garingal's course setter, Jamie, has written that "The Orange courses use a newish area of the map that may bring back some memories to anyone who ran at QBIII at Lithgow this year. Want to know more? Come and enter!" Sounds interesting!

Venue: meet in Waverton Park at the corner of Larkin and Woolcott Streets, Waverton.

Map: "Balls Head", The scale for the blue and green courses is 1:3000, orange courses will have 1:5000 maps.

Controls: as 'pots' will be used, don't forget to take a control card and pencil with you.

Arrival time: Starts will be from 9.30am (last starts will be at 11.30am). There will be no race briefing but please note that you will need to complete registration cards and collect control descriptions before starting. Barbara and the GO team will be on hand to assist anyone that would like some help to get started.

Friends and Family: All are very welcome and may enter a course of their own on the day.
